2. Purpose: This memorandum establishes policy to administer the Army National Guard (ARNG) SRIP for the period effective 27 January 2006 through 31 May 2006 unless otherwise superseded or suspended. Commanders at all levels are required to ensure that this policy is managed effectively in order to preclude any occurrence of fraud, abuse, or mismanagement.

Due to fiscal constraints, the bonuses offered in this policy can only be offered until 31 May 2006. Failure to meet our end-strength goals may cause reductions or elimination of the bonuses offered within this policy.

3. Applicability: This policy guidance applies to Army National Guard (ARNG) Soldiers in M-Day status only.

4. General: The purpose of the SRIP is to assist ARNG leadership and personnel managers in meeting the readiness requirements of the ARNG. It is imperative that each state utilize the resources available within the bonus program in order to target personnel strength and readiness issues. Critical shortages identified through Unit Status Reports (USR) must be used in order to focus the bonus program on the state's prioritized shortages.

5. SRIP Eligibility.
